

Disabled Parking Mont-Saint-Michel

Arriving by car, follow the signs indicating the disabled car park.

The car park P2 is only for blue badge permit holders. There is a charge for the car park (11.70€). For more information: <http://www.bienvenueaumontsaintmichel.com/en>

This car park is situated approximately near the departure of the "Passeur" shuttle bus. The shuttle bus will drop you off approximately 350 meters in front of the Mont-Saint-Michel.

Click to see the access plan: http://www.bienvenueaumontsaintmichel.com/file/medias/cppmsm_anglais.pdf

The shuttle bus is accessible for disabled persons:

- Removable ramps which can be placed at each door
- Two spaces reserved for wheel chair users
- Six seats reserved for reduced mobility persons
- Sound and visual information inside the shuttle bus during the journey (approx. 12 minutes)

The chauffeur of the shuttle bus or the attendant will put the ramps in place at your request.

For more information about the car park and the shuttle buses you can visit the website:

The “**Tourist Information Centre**” (situated near the departure of the shuttle buses) have wheelchairs you can borrow for the day. For more information: 02.14.13.20.15 or cppmsm@bienvenueaumontsaintmichel.fr

Toilets for disabled persons:

↳ At the tourist information centre - toilets accessible for wheelchair users

↳ The Galleries of Mont-Saint-Michel – toilets for wheelchair users available: <https://www.le-mont-saint-michel.com/en/practical-information/interactive-map/>

↳ At the Mont-Saint-Michel – toilets available for wheelchair users are at the bottom of the main street on the right. We advise you to privilege the toilets at the tourist information centre as they have easier access.

Actually, the lockers at the tourist information centre are closed due to the plan ‘terrorist control’ (vigipirate). There are no lockers on the Mont-Saint-Michel.

Visiting the Mont-Saint-Michel

The Village – The access to the medieval village is free.

Some practical information:

- There is no elevator on the Mont-Saint-Michel
- The streets are paved
- Lots of steps (139 steps to reach the entrance of the abbey, from the main street, starting from the church of Saint Pierre). Average height of the steps is: 19 cm. There are no ramps in the main street.

- Possibility to pass by the entrance of 'The fanils' however very steep road. Ground is irregular and in cement. Also, there are steps but less than the main street: 54 steps to arrive at the entrance of the abbey (3 levels of successive steps)
- From the entrance, there are 54 steps to reach the ticket office then 96 steps to reach the west terrace where the guided tour starts. Inside the abbey there are also steps and spiral staircases.

Entrance of 'The Fanils'

Way up to the abbey by the 'Fanils'

Main street on the Mont-Saint-Michel

On the Mont-Saint-Michel, it is possible to use the main street which is paved for 200 metres and a progressive steep slope.

At the level of the parish church (📍 on the map), situated at the top of the street, here starts the series of steps which lead you to the entrance of the abbey. There is no elevator in the abbey.

Visiting the abbey with a "Joelette"

There does exist an alternative, a wheelchair which is adapted to all terrain. There are handles to carry the "Joelette". It is necessary to come with at least two assistants to carry the "Joelette". The abbey only provides the chair.

It is only available by pre booking with the secretary of the abbey (02.33.89.80.00 or delphine.rio@monuments-nationaux.fr)
