

Mobility aid recognition scheme

Guide to approved mobility scooters: summer 2012

This document contains a list of all the mobility scooters currently assessed by Transport for London for the [mobility aid recognition scheme](#).

In the 'Status' column, 'Yes' means the scooter is approved for use on buses, 'No' means the scooter is too large for use on buses, and 'Needs assessment' means the scooter is of borderline size and we will need to assess whether it can be used on buses.

Call our Travel Mentoring team on 020 3054 4361 or email travelmentor@tfl.gov.uk if you want to join the scheme, make an enquiry, or if your scooter is not on the list.
